

Oyo High Adventures

“Delivering the Promise” of Scouting is one of the challenges that face many Troops, Teams and Crews. Teenagers have a real need to seek the thrill of living on the edge and a desire to push the envelope of their own limits. Oyo High Adventures have been developed to add fun, adventure, and personal growth, and to help put more “outing” into Scouting. The Oyo High Adventure Program was created in 2006 to further service the Scouting community by providing an alternate activity for older Scouts and more experienced troops.

Oyo High Adventures offers a variety of Expeditions with the following program elements. Not all programs are offered on each Expedition, so choose the Expedition that best meets your interests.

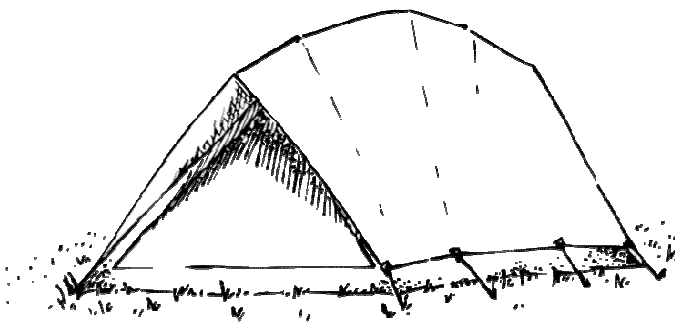

Ohio Rivers Expedition. Monday and Tuesday you will spend half days waterskiing on the Ohio River and half days swimming, shooting and having fun at Camp Oyo. Wednesday, Thursday and Friday will be a canoe excursion down the Scioto River. Cost is \$250 per person.

Wild Water Expedition. Monday morning head to West Virginia. After an overnight campout, Tuesday’s fun is rafting on the New River. Wednesday will be split between waterskiing on the Ohio River and swimming and shooting at Camp Oyo. You will then enjoy a canoeing excursion on the Scioto River on Thursday and Friday. Cost is \$360 per person.

Frontier Expedition. Explore the Scioto River by canoe on Monday and Tuesday. Wednesday morning you head to Carter Caves in Kentucky for three days of cave exploring. Cost is \$250 per person.

Lewis & Clark Expedition. Discover the Scioto River on a canoeing excursion Monday through Wednesday morning. With a brief gear swap on Wednesday, you are off on a two-night backpacking trek through the Shawnee State Forest. Learning about GPS Land Navigation on the trail, find your way back to Camp Oyo on Friday afternoon. Cost is \$250 per person.

BOY SCOUT SUMMER CAMP COMBO

Many Troops coming to Oyo High Adventures use the program as a special opportunity for their Venture, Varsity, or older-Scout Patrol. But don’t forget about your younger Scouts! The Simon Kenton Council operates two great Boy Scout Summer Camps just up the road. Camp Oyo is a scenic ninety-minute drive from Chief Logan Reservation (Ray, OH) and just three hours from Camp Falling Rock (Newark, OH). With this winning combination, younger Scouts experience a great Boy Scout Summer Camp program at Chief Logan or Falling Rock, while older Scouts take on a High Adventure based out of Camp Oyo. We can easily arrange programs for arrivals at Camp Oyo late Sunday afternoon with departures on Friday afternoon to join with the rest of the troop at Falling Rock or Chief Logan for closing campfires and Saturday departures.
