As you apply for your Eagle award, the council wishes to assist in securing for you the maximum recognition for this great honor. To do so, we have contacted the heads of all the major religious bodies that serve Central Ohio and asked them to join with us in providing recognition to Eagle recipients. In order to initiate this religious recognition, we need some information about you, which we ask that you turn in on this form. **IF YOU DO NOT WISH TO PARTICIPATE** in the religious recognition program, simply do not turn in the form.
