Take exit #2 off I-270, it is the exit for RT 62 & RT 3, Grove City

Off the exit ramp, travel south to the first intersection which will have a Big Boy on one corner and a Waffle House on the other, both on your right hand side. This street is not labeled well, but becomes **Urbancrest Industrial Drive**. Turn right here.

Continue on **Urbancrest Industrial** until it ends. At the end turn left onto **Lewis Center Way**.

Our warehouse is at **3185 Lewis Center Way**. It is a huge white building with a blue stripe running horizontally. We have four bay doors on the front of the building and three in the back. The doors on the front are numbered **41, 43, 45, & 47**. Come to the front unless you are specifically instructed to go to the back doors.

Google maps and other direction websites will give you different directions that have you coming up **Southwest Blvd**. There is a chance that on Saturday morning (and maybe Friday evening), because of a local parade, Southwest may be closed off to through traffic.
